## ACCOMMODATION Kisaq

Ved ankomst til Nuuk bliver man modtaget i lufthavnen og kørt med bus ned til skibet, hvor man bliver indkvarteret mandag - torsdag. Når man er blevet indkvarteret på båden, sejles der ud til første jagtområde. På første dagen vil der blive informeret om sikkerhedsinstrukser og de kommende dages ophold og jagt.

Konceptet er at skibet anvendes som basecampen, hvor man slapper af imellem jagterne, mens skibet sørger for at man bliver transporteret til nye jagtmarker hver dag. Skibet Kisaq er en passagerfærge, som er bygget om til et hotelskib. Under dæk er der 2 mands kahytter med køjesenge og håndvask. Håndklæder og sengelinned. På dækket er der lounge område i bagbordsside og kabys med spiseafsnit i styrbords side. Der er ligeledes to bade og to toiletter.

På fordækket er der åbent dæk hvor man arbejder og hænger dyr op. På agterdækket, overdækket arbejdsområde og oppe på broen er der et solområde hvor udsigten og solen kan nydes.

Man står op spiser morgenmad, smører madpakke, tager på jagt, kommer tilbage til skibet, spiser aftensmad, hygger om aftenen.

Det bedste af det hele er, at man dagen efter gør det hele igen.

Om torsdagen efter endt jagt, bliver man kørt med bus til hotel Aurora, hvor man derefter har aftenen på egen hånd i Nuuk. Hotellet er utrolig smukt med moderne faciliteter.

## HUNTING AREA

# Hunting area near Nuuk

The terrain is highly rugged, and participants should be prepared to hike between 10 and 20 km per day, reaching elevations of up to 1000 meters. This is wild and virtually untouched nature, where weather, wind, and animals dictate the experience, and we are the guests. In the areas we hunt, there is almost no infrastructure, placing significant demands on safety equipment and signaling devices. The terrain is very uneven and occasionally quite impassable.

Additionally, participants should be prepared to carry their reindeer down from the mountains. A large bull can weigh between 75 to 100 kg. It is crucial to have well-worn, sturdy hiking boots and sensible hunting clothing that can withstand snow, rain, and sleet while also handling sun and heat. The weather can be highly variable, so it's essential to be equipped with the right attire.

The terrain is very open, so shooting at slightly longer distances should be expected. Therefore, it would be a good idea to practice shooting at distances of up to 200-250 meters, if possible. The minimum allowed caliber for trophy hunting is 243

WIN. While there is no requirement for soft-nosed ammunition, it is recommended.

## About us

i

### Limpopo & Diana Hunting Tours

Limpopo & Diana Hunting Tours Limpopo Travel and Diana Hunting Tours – which today are one and the same company - are built on more than four decades of experience in the hunting travel industry. Diana Hunting tours was founded in Svendborg back in 1974 by the internationally known figure in the hunting tour industry, Jan Krossteig, who today remains shareholder and chairman of the concern.

Over the years the company has grown into the world's largest hunting travel office, with hunting partners in more than 40 countries and customers from around the world. This has only been possible because of the strength of our customers faith in our company, our partners and the service we provide. We take great pride in the fact that a significant number of our customers are "regulars" you not only travel with us frequently, but also bring with them new customers into our business.

The hunting travel market has never been as chaotic as it is at present. There have always been a mass of small and medium sized agencies trading on the market, but in recent years the rise of the internet has really opened up the market for direct booking and packages sold by "agents" of more or less transparent character and by agencies based abroad.

A large number of hunters have had their fingers burnt booking "cheap" packages, which rarely proceed as promised. Generally it is only when things go wrong that the unfortunate hunter who bought the tour first realises what the difference between a good Danish travel agency - with all the security that entails - and a questionable foreign seller, really is.

What we offer our customers is a rather unique level of security. Our experienced staff really know our destinations and can provide highly qualified advice tailored to the customer's individual requirements. If you book your hunting tour through us you also have a guarantee against the unlikely event of bankruptcy through the Danish Travel Guarantee Fund. Our long standing membership of the Danish Travel Agency Association is also a guarantee for professional service throughout all the proceedings that a hunting tour entails - also in the event of something not going quite as planned. As one of our customers you can expect around the clock support, via our emergency hotline, in the event of anything at all going wrong.
