ACCOMMODATION

Accommodation - Hunt for Ibex in Kyrgyzstan

During the hunt, depending on hunting area, you will either be staying in mobile homes, wooden cottages or in the traditional yurts (Kyrgyzian round tents, which you find in many places in Asia, f.ints. also in Mongolia and Kazakhstan). During the actual hunt you will often be staying on very primitive tents in the mountains or even in rock caves. Therefore it's very important that you bring a good sleeping bag and a sleeping mat.

Before and after the hunt you stay at a good hotel in Bishkek.

During the hunt full board is included in your stay and the organizers do their best to server good and nourishing meals. However, you must also be aware that often it is diifcult for them to get the wanted supplies. Therefore we recommend that you bring a few supplies such as instant soup, chocolate, energy bars etc.

HUNTING AREA

Hunting Area - Hunt for Ibex in Kyrgyzstan

You will be able to enjoy the panorama of the impressive Tien-shan mountains during the whole tour. This hunt is certainly not just a relaxing horse-back ride in an outstandingly beautiful landscape. These mountains are much more than a treat for the eyes, they present a real physical challenge, especially when you are stalking in to ibex. The hunting districts have large populations of game, and the numbers of good trophy ibex are high, and this area is visited by few trophy hunters.

Our partner has six different hunting areas, Ulam, Karakolka, Boz-Jalpak, Jany-Jer, Cementi and Emegen, all situated in the territory of Issyk-Kul and Naryn regions, and with a total area of 200.000 hectares

About us

Limpopo & Diana Hunting Tours

Limpopo & Diana Hunting Tours Limpopo Travel and Diana Hunting Tours – which today are one and the same company - are built on more than four decades of experience in the hunting travel industry. Diana Hunting tours was founded in Svendborg back in 1974 by the internationally known figure in the hunting tour industry, Jan Krossteig, who today remains shareholder and chairman of the concern.

Over the years the company has grown into the world's largest hunting travel office, with hunting partners in more than 40 countries and customers from around the world. This has only been possible because of the strength of our customers faith in our company, our partners and the service we provide. We take great pride in the fact that a significant number of our customers are "regulars" you not only travel with us frequently, but also bring with them new customers into our business.

The hunting travel market has never been as chaotic as it is at present. There have always been a mass of small and medium sized agencies trading on the market, but in recent years the rise of the internet has really opened up the market for direct booking and packages sold by "agents" of more or less transparent character and by agencies based abroad.

A large number of hunters have had their fingers burnt booking "cheap" packages, which rarely proceed as promised. Generally it is only when things go wrong that the unfortunate hunter who bought the tour first realises what the difference between a good Danish travel agency - with all the security that entails - and a questionable foreign seller, really is.

What we offer our customers is a rather unique level of security. Our experienced staff really know our destinations and can provide highly qualified advice tailored to the customer's individual requirements. If you book your hunting tour through us you also have a guarantee against the unlikely event of bankruptcy through the Danish Travel Guarantee Fund. Our long standing membership of the Danish Travel Agency Association is also a guarantee for professional service throughout all the proceedings that a hunting tour entails - also in the event of something not going quite as planned. As one of our customers you can expect around the clock support, via our emergency hotline, in the event of anything at all going wrong.
