PARTNER Outfitter in Oxford

We have worked together with the hunting organizer in this district for many years. He has a wealth of experience in pigeon shooting and rifle hunting and you hunters visiting here make good use of both his enthusiasm and great experience. The hunting here is well worth a visit!

Roger can offer hunting for muntjac in a number of districts, and these hunts can be combined with pigeon shooting. It is also possible to arrange pigeon shooting. The gamekeeper does a lot of preparation before a pigeon shoot, and has closely studied where the pigeons are likely to feed. However, if for any reason the pigeons do not show where the guns have been positioned, you will be picked up and taken to a new spot.

Our hunting organizer has been involved in the hunting industry practically all his life, and our hunts can feel this when they visit this fantastic hunting district.

HUNTING AREA

Pigeon shooting in Oxfordshire

In the beautiful countryside of Oxfordshire, only a 1 hour drive from London, we can offer hunting in a really good district. A total area of 12.000 ha is available for hunting, divided up between a number of different estates and farms. Oxfordshire is a classic English farming area, where you will find large open fields, separated by hedgerows and woodland.

Here we can offer pigeon shoot in the spring or later in the autumn. There are large numbers of pigeons in the area, but as always, pigeon shooting is unpredictable, the hunt is for wild birds, so we cannot give any guarantee of how many birds will be on show at the parade. This will depend of the skill of the hunters, the wind and weather etc.

In the spring and later in the autumn we can also offer muntjac and combination hunts on this excellent district. On one of the estates we can offer the exciting prospect of combining hunting for muntjac and fallow deer. It is possible to see both species of deer during a single slaking session.

The district can also welcome roebuck hunters, both during the

spring and during late July and early August.

About us

i

Limpopo & Diana Hunting Tours

Limpopo & Diana Hunting Tours Limpopo Travel and Diana Hunting Tours – which today are one and the same company - are built on more than four decades of experience in the hunting travel industry. Diana Hunting tours was founded in Svendborg back in 1974 by the internationally known figure in the hunting tour industry, Jan Krossteig, who today remains shareholder and chairman of the concern.

Over the years the company has grown into the world's largest hunting travel office, with hunting partners in more than 40 countries and customers from around the world. This has only been possible because of the strength of our customers faith in our company, our partners and the service we provide. We take great pride in the fact that a significant number of our customers are "regulars" you not only travel with us frequently, but also bring with them new customers into our business.

The hunting travel market has never been as chaotic as it is at present. There have always been a mass of small and medium sized agencies trading on the market, but in recent years the rise of the internet has really opened up the market for direct booking and packages sold by "agents" of more or less transparent character and by agencies based abroad.

A large number of hunters have had their fingers burnt booking "cheap" packages, which rarely proceed as promised. Generally it is only when things go wrong that the unfortunate hunter who bought the tour first realises what the difference between a good Danish travel agency - with all the security that entails - and a questionable foreign seller, really is.

What we offer our customers is a rather unique level of security. Our experienced staff really know our destinations and can provide highly qualified advice tailored to the customer's individual requirements. If you book your hunting tour through us you also have a guarantee against the unlikely event of bankruptcy through the Danish Travel Guarantee Fund. Our long standing membership of the Danish Travel Agency Association is also a guarantee for professional service throughout all the proceedings that a hunting tour entails - also in the event of something not going quite as planned. As one of our customers you can expect around the clock support, via our emergency hotline, in the event of anything at all going wrong.
