

CHAMOIS HUNT AT NICE

The world of hunting spans the globe, but sometimes it can also be very small. The south of France with the Mediterranean sea, and the mountains just inland, have been a fashionable destination for many years. It offers wonderful beaches, beautiful landscapes, charming towns and great good and wine, but up to now it has only given limited opportunities to hunt, unless you happened to know a local farmer..

HUNTING AREA

Hunting Area - Chamois hunting in France

Through our well known French partner in Mauritius we have now been granted access to an exclusive hunting district in the South of France just 75 km from Nice. This makes this tour absolutely perfect for a family holiday, as your family can enjoy the delights of Nice while you are out hunting. A wide range of flights to Nice are available, and we would be happy to help with making flight booking.

The mountains to the north of Nice are not so high or as steep as the Alps, but they can still present strenuous and challenging hunting, so we recommend that hunters booking this tour should be in good physical shape.

It is possible for 3 hunters to hunt here at the same time, each hunter will naturally have his own experienced French hunting guide.

The best period to hunt here is from mid-October to the end of November, which is the chamois' rutting season. The hunting primarily takes place over the week-ends. It is also possible to hunt here during the months of January to March."

About us

Limpopo & Diana Hunting Tours

Limpopo & Diana Hunting Tours Limpopo Travel and Diana Hunting Tours – which today are one and the same company - are built on more than four decades of experience in the hunting travel industry. Diana Hunting tours was founded in Svendborg back in 1974 by the internationally known figure in the hunting tour industry, Jan Krossteig, who today remains shareholder and chairman of the concern.

Over the years the company has grown into the world's largest hunting travel office, with hunting partners in more than 40 countries and customers from around the world. This has only been possible because of the strength of our customers faith in our company, our partners and the service we provide. We take great pride in the fact that a significant number of our customers are "regulars" you not only travel with us frequently, but also bring with them new customers into our business.

The hunting travel market has never been as chaotic as it is at present. There have always been a mass of small and medium sized agencies trading on the market, but in recent years the rise of the internet has really opened up the market for direct booking and packages sold by "agents" of more or less transparent character and by agencies based abroad.

A large number of hunters have had their fingers burnt booking "cheap" packages, which rarely proceed as promised. Generally it is only when things go wrong that the unfortunate hunter who bought the tour first realises what the difference between a good Danish travel agency - with all the security that entails - and a questionable foreign seller, really is.

What we offer our customers is a rather unique level of security. Our experienced staff really know our destinations and can provide highly qualified advice tailored to the customer's individual requirements. If you book your hunting tour through us you also have a guarantee against the unlikely event of bankruptcy through the Danish Travel Guarantee Fund. Our long standing membership of the Danish Travel Agency Association is also a guarantee for professional service throughout all the proceedings that a hunting tour entails - also in the event of something not going quite as planned. As one of our customers you can expect around the clock support, via our emergency hotline, in the event of anything at all going wrong.
