## ACCOMMODATION Chateau

During the hunt you will stay in the family's "chateau" which lies in beautiful parkland.

The main house itself has 8 double rooms, and nearby in a cosy lodge, which was the former manor house, there are a further 5 double rooms.

All rooms are large and spacious, very tastefully decorated, and with a private bathroom. The rooms have been recently restored, and their tasteful furnishings will please even the most fastidious of guests.

During your stay breakfast will be served before you go out hunting, and around midday you will be offered a delicious lunch with many French delicacies. After the hunt and game parade, tea and coffee will be served.

In the evening we recommend that you visit one of the wonderful restaurants that can be found in the vicinity of Le Mans. If you would like to sample the many good French wines on offer, we can certainly arrange transport to and from the town. If you wish, it

is possible to arrange for dinner to be served in the chateau, but the hosts do recommend you take advantage of the gastronomic delights that are available in the town.

Both wifi and internet are available.

As mentioned the nearest airport is Orly. Norwegian have daily flights from Copenhagen to Orly. It only takes 1½ - 2 hours to drive here from Orly. An alternative is that you can fly to Paris Charles de Gaulle airport then take a train directly from the airport to Le Mans, where you will be collected by the estate. It is of course also possible to hire a car here, but you must be prepared for a drive of around 3 hours.

### Limpopo & Diana Hunting Tours

Limpopo & Diana Hunting Tours Limpopo Travel and Diana Hunting Tours – which today are one and the same company - are built on more than four decades of experience in the hunting travel industry. Diana Hunting tours was founded in Svendborg back in 1974 by the internationally known figure in the hunting tour industry, Jan Krössteig, who today remains shareholder and chairman of the concern.

Over the years the company has grown into the world's largest hunting travel office, with hunting partners in more than 40 counties and customers from around the world. This has only been possible because of the strength of our customers faith in our company, our partners and the service we provide. We take great pride in the fact that a significant number of our customers are "regulars" you not only travel with us frequently, but also bring with them new customers into our business.

The hunting travel market has never been as chaotic as it is at present. There have always been a mass of small and medium sized agencies trading on the market, but in recent years the rise of the internet has really opened up the market for direct booking and packages sold by "agents" of more or less transparent character and by agencies based abroad.

A large number of hunters have had their fingers burnt booking "cheap" packages, which rarely proceed as promised. Generally it is only when things go wrong that the unfortunate hunter who bought the tour first realises what the difference between a good Danish travel agency - with all the security that entails - and a questionable foreign seller, really is.

What we offer our customers is a rather unique level of security. Our experienced staff really know our destinations and can provide highly qualified advice tailored to the customer's individual requirements. If you book your hunting tour through us you also have a guarantee against the unlikely event of bankruptcy through the Danish Travel Guarantee Fund. Our long standing membership of the Danish Travel Agency Association is also a guarantee for professional service throughout all the proceedings that a hunting tour entails - also in the event of something not going quite as planned. As one of our customers you can expect around the clock support, via our emergency hotline, in the event of anything at all going wrong.
